**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition has created a far more robust set of options for me and my family. We have gigabit fiber through a local provider - many times faster, many times less expensive and MUCH better service. This would not be possible without laws that require competition. Please don't take these options away - we will all be the worse for it.

Sincerely,

David Hamsher
